Community Hospital,  
West Kinney St.,  
Newark, N. J.

Dear Sir:

I am writing to tell you, in going over the schedule, I have decided that Tuesday, August 6th would be the day to play the Baseball game for the Community Hospital. In case of rain, it could be played the same day two weeks later. I think we should get together soon to start mapping out the program. I have given a lot of thought to having you hire a professional promoter. There is a man in New York City who handled the campaign for The Mercy Hospital in Phila a couple of years ago, see if you can get his name. In the meantime, stop by the office or my home the first time you are in the neighborhood.

Very truly yours,

EM:CCJ
